PRUDERY'S ALABAMA STAKES OUR THIRTY LEADING OWNERS REGISTRAR'S EASY VICTORY

With Bit of White.

Thunderclap Beats Noted Sprinters in a Fast Run Three-Quarters-June Grass Wins.

SARATOGA, N. Y., August 11.-The rich Alabama

SARATOGA, N. Y., August 11.—The rich Alabama Stakes at a mile and a quarter, having a guaranteed value of \$10,000, of which the winner's net portion amounted to \$7.275, was won by Harry Payne Whitney's Prudery by a scant half length from E. R. Bradley's Bit of White, John Sanford's Chateau Thierry finishing third and Careful, the only other starter, following the trio home. The time of the race, 2:04½, equaling its record, Prudery was a pronounced favorite, backed solidly by the eastern contingent, while Bit of White had her loyal support by the Kentucky and western brigade. The other pair of starters, so far as betting is concerned, only appealed to those on the lookout for an unexpected happening. Due to Lyke's suspension, G. W. Carroll had the mount on Bit of White, while Fator was astride the Whitney filly, Sande on Careful and Keogh on the Sanford representative. Careful and Prudery raced to the fore immediately, but Carroll rushed Bit of White, which she held under restraint for three-quarters before there was a gradual closing up of the rear guard. Careful found her task too strenuous at the mile, but Prudery came gallantly and an eighth from the finish headed Bit of White. But the latter was not to be denied without a fight and she continued on gamely, but Prudery likewise held on in unflinching style and, while she was not punished, she had nothing to spare at the end to win. Chateau Thierry found Careful giving way in the stretch and overhauled her with ease. It was generally conceded that had Lyke been astride of Bit of White she would have run to better advantage, for he understands her moods and style of racing.

MARKED IMPROVEMENT IN RACING.

MARKED IMPROVEMENT IN RACING.

There was marked improvement in today's racing, horses of a better grade furnishing several of the contests, and it served as a magnet to attract the best week-day attendance of the meeting. Lawn activity was on the order of previous years, with the advantage at the end of the afternoon resting with the atlent, most of the winners being heavily backed. The Rancocas Stable made amends during the afternoon for several recent failures when it scored heavily over the success of Thunderclap, which showed a sparkling performance in the Burnt Hills Handicap at three-quarters and won with great case from good sprinters that included Smoke Screen and Georgie, with such veterans as Motor Cop and Naturalist among the beaten ones. Reprisal, with his pair of former victories here, was favored, but an outer post position, coupled with his rider's action in guiding him wide on the turns, proved his undoing. Sande played a conspicuous part in Thunderclap's victory, for he kept him close to the inner rail, and when the spread came on the stretch turn saved much ground and, naving a comparatively fresh horse, as a result of saving tactics in the early running, flashed by Smoke Screen in the last eighth to win as he pleased. Smoke Screen, which had led from the start, ran a good race and held on gamely for second place.

The Redstone Stable's Billy McLaughlin, which

Money.

The Redstone Stable's Billy McLaughlin, which had disappointed previously here, was again an overwhelming choice and this time he gave but slight concern to his backers, for he rushed into the lead promptly at the start and showed the way for the entire mile, beating Kirklevington with ease. Night Raider, the only other starter in the race, never figured prominently at any stage of the running.

A highly regarded band of youngsters started in the closing race, a dash of five and a half furlongs, and it resulted in an easy victory for June Grass over Mercutio, with Snob II. in third place. The first-timer, Bunting, owned by Harry Payne Whitney, was made an outstanding favorite, this being due to splendid trials he had displayed on several occasions. He began well, but ran green and failed to respond to Sande's urging until too late in the stretch drive. Fator, who had the mount on the winner, hustled him hard and soon overtook Mercutio, which had gotten off in his full stride. The pair raced in advance of their opponents to the end, but Mercutio's efforts to down the leader were futile at all times. Snob II. finished gamely to land in third place.

ANOTHER VICTORY FOR H. P. WHITNEY.

ANOTHER VICTORY FOR H. P. WHITNEY.

The opener, another two-year-old dash, found the Harry Payne Whitney colors again in front, when Pastoral led for the entire way and beat Eager Eyes, Lucky Gift following in third place. There might have been a different result had Yeargin on Lady Mother not taken her back sharply at the start and practically eliminated his mount from contention, for she closed a tremendous gap under hard riding and was going fastest at the finish.

Pibroch proved best of the ordinary band that started in the fifth race at a mile and won from Royal Duck, which had up 125 pounds and had closed an immense gap in the last quarter from a tardy beginning. Galiot finished third. Sam Louis claimed Royal Duck at a cost of \$1.585.

Pastoral changed ownership after the first race, going to B. A. Lane at a cost of \$2.505 via the claiming route.

Miss Joy will be an absentee from the Saratoga Special next Saturday, trainer Milam deeming this expedient in view of the filly's condition. She has not been in her best form since coming here and her Flash Stakes and Schuylerville Stakes victories did not afford her an opportunity to regain it.

n stable earnings. It is so far ahead of its nearest competitor, H. P. Whitney, that the latter appear te have no chance, unless he has in possession a two-year-old capable of appropriating the spoils of such rich races as the Hopeful, Futurity and the Maryland Futurity, something which has not appeared among the probabilities so far. At that the Whitney stable is doing quite well. If Tryster emulates the good example set by Prudery in returning to the high-class form that made them famous last year, the chances of the stable will be much enhanced. Nothing in a racing way could be more certain than that he was easily Grey Lag's master last year. Edward R. Bradley is in enjoyment of his most successful year. He owns high-class race horses and will increase his present stable winnings of considerably more than \$100,000. The three stables named have over that desirable sum to their credit, with a certainty impending that they will soon be joined by J. K. L. Ross. He has not far to go. There is no telling what the splendid fillies Miss Joy and Fair Phantom may yet do for Montfort Jones. It is quite within the limit of possibilities that they may put him over the \$100,000 line before snow flies. In that case our racing of 1921 will present the unusual feature of five stables with that amount safely garnered. It does not now appear that any other owner is likely to win so much. However, the others making up the thirty list have little to complain of, as their fat stable returns will demonstrate. The stable earnings of the thirty leaders Wednesday night are as follows:

day's racing at Delorimier Park this afternoon. She raced George W. into defeat and scored by a wide 'margin from Sentimental and Chefa.

The Delorimier Breeders' Purse, in the sixth race, and the secondary feature over the mile and a half route, was productive of a thrilling finish in which Plantarede barely lasted to beat Buck Nail by a nose. Ball outrode Jacobs in the final test which decided the issue.

After Mack Garner easily anneved the fifth race for E. E. Major, he went to the stable of P. Hinphy via the claiming route for \$1,000.

A cleverly counterfeited \$2\$ three-way ticket on Miss Adrianne, the first winner, found its way into the payoff station at the mutuel pavilion today and rewarded the crook rather liberally, \$54. This has become a daily occurrence here of late despite the vigilance of the police to apprehend the guilty parties. Another crook attempting to pass a twenty-dollar counterfeit was taken into custody today.

Jockey J. Connors, who suffered a broken collar bone at the Quebec meeting in June, is now able to be around without his arm in a sling. He will not resume riding until the autumn meetings at Dufferin Park, Toronto.

Bourbon Green was withdraw from the sixth race at Delorimier today owing to lameness. Charlestonian pulled up lame after his race yesterday.

Due to the protest lodged by owners John A. Lewis and C. F. Tanner on grounds that the horse Nick Klein, winner of the fifth race yesterday, was not saddled by a licensed trainer, the stewards have disqualified the horse Nick Klein and ordered first money paid to John A. Lewis for the horse Little Pete, which ran second. Second money to the horse Dinty Moore, owned by C. F. Tanner, and third money to the horse Doctor D., owned by C. Deroset, which was fourth.

SARATOGA, N. Y., August 11.—The transfer of the subscription in the Saratoga Special, making Motvich eligible to start in it, was completed late yesterday and it is probable that under the terms of the transfer it will not be necessary for the colt to run in Hirsch's colors, or the formality of being leased to him. Hirsch under the arrangement, receives thirty-five per cent of the colt's winnings in the race. Hirsch also has a ten per cent interest in the earnings of the colt in the Hopeful Stakes and the Maryland Futurity, to be run at Pimlico next fall,

J. K. L. Ross' Friar Rock Colt Wins McNaughton Handicap.

Ima Frank and Tan Son Carry G. H. Goodacre's Colors to a Double Victory.

FORT ERIE, Ont., August 11.—J. K. L. Ross' Registrar, the three-year-old son of Friar Rock—Star of Danube, accounted for the McNaughton Handicap, which was offered as the feature attraction at Fort Eric this afternoon. Blackie Daw and Mock Orange put up a sensational battle for second place, the former earning it in the final stride. The dash was at a mile and a sixteenth and brought together a field of six, there being one withdrawal, Golden Sphere. The race was run over a track which was slippery, due to a sudden shower which drenched the course previous to the running of the fourth race. The start was a good one and Erickson, astride Registrar, sent him to the front with a rush and he soon sprinted into a commanding lead. Blackie Daw made a determined bid when straightened out on the backstretch, but the winner drew away without urging. Registrar was well supported by the talent and paid a fair dividend.

Cloudy and threatening weather conditions prevailed this afternoon and had a slight deterring effect on the attendance, which was not as large as that of yesterday. The card was, with the exception of the feature race, given over to a mediocre band of platers, but nevertheless stirring racing resulted.

G. H. Goodacre accounted for two of the afternoon's races when Ima Frank, ridden by Butwell. scored in an easy manner in the third, and Tan Son took a small band of three-year-olds into camp in the fourth, a dash of a mile and a sixteenth. Ima Frank was the favorite and assumed the lead when well straightened out on the backstretch and, saving ground throughout, drew into a safe lead to win easily from Polar Cub and Cormoran. The success of Tan Son was as easily achieved. Burke kept him within striking distance of the pacemaker Antilles, and when he called on him in the stretch the son of Aeronaut quickly passed her and passed the judges three lengths to the good.

The first race of the day witnessed the graduation of Humorist from the ranks of maiden racers, the Ross-bred colt displaying a high order of spe

LADY LUXURY BY FOUR LENGTHS.

The six-year-old mare Lady Luxury won the second race. She had a safe margin of four lengths at the finish. After racing Youneed into defeat on the far turn Lady Luxury found easy sailing thereafter. Youneed was the decided choice, but disposing of Miss Dora proved too much a task and when the winner challenged was found unable to successfully resist the fast closing rush.

While W. C. Weant's Sea Way caught the speculative eye in the sixth race, there were those that did not overlook the consistent Duke Ruff. They were well rewarded by their faith in the Virginiabred racer, as he was returned winner after a performance that left no doubt that he was master of the situation at all times. Saved in the early running, he moved to the front on the far turn at the call of his rider and held sway to the end. Jake Feld was second, racing well up throughout, but never able to overtake the winner. Sea Way flattered his backers by an early display of speed that gave him the lead for half the journey, but had nothing left when the real racing began.

W. M. Cain, following the running of the fourth race, claimed Tan Son from G. H. Goodacre for \$2,000.

Jockey I. Gordon was suspended by starter Morrissey for the remainder of the meeting for disobedience at the post.

It was reported today that during the Hamilton meeting the plater Thursday Nighter, which was badly cut down in a race, had died from the effects of his injuries.

R. T. McKeever arrived from New York this morning and stated that he had shipped his horses to Windsor and would finish out the remainder of the Canadian season.

Trainer Joseph Tevis announced today that he would ship his own horses to Windsor and sever his connection with the Kenton Stable.

MAY CHANGE MARYLAND RACING LAWS

BALTIMORE, Md., August 11.-Consideration is being given to a proposal to amend the Burke Racsing Commission law by the next legislature in order to counteract efforts that will probably be made to put race tracks entirely out of business. The proposed amendments will deal with the duration of meetings and the amounts to be assessed by the state. Other propositions tend to clarify the licensing situation and define the powers of the Maryland Racing Commission to grant licenses and managers of race tracks to refuse to recognize same.

One Hundred and Forty-Eight Eligible for \$30,000 Feature.

East and West Liberally Represented by the Aristocracy of Two-Year-Old Division.

The Hopeful Stakes, with a guaranteed value of \$30,090, is the richest of all the great stakes offered by the Saratoga Association. It was inaugurated in 1903 and, with the exception of 1911 and 1912, when there was no racing, it has run continuously since with varying fortune. The value to winner in 1903 was \$22,275, and in 1904 the winner's share was \$29,790. From that date the value gradually dwindled until, in 1913, Bringhurst only brought \$4,100 to his owner's credit. A steady revival has since taken place, the highest point being reached in 1920 when Leonardo II. won \$33,850.

The nominations for this valuable fixture closed November 27, 1920, with 245 entries. Twenty-eight of these declared at \$50 each and sixty-nine at \$100 each, leaving 148 two-year-olds still eligible. Takes are here given, together with names of owner, sire and dam and sire of dam.

DAILY RACING FORM HOPEFUL STAKES ENTRIES PAYS \$21,000 FOR YEARLING PRUDERY'S ALABAMA STAKES

Brother to The Porter Brings Highest Price at Saratoga Sales to Date.

SARATOGA, N. Y., August 11.—Another improvement in the yearling market was noted Wednesday night at the Fasig-Tipten sale mart on the occasion of the offerings of the Page Brook Stud, owned by Capt, P. M. Walker, whose consignment included the Sweep—Ballet Girl coit, a brother of the noted The Porter, owned by Edward B. McLean. The youngster's striking appearance, coupled with the prowess of his brother, caused spirited contention for his possession, and the bidding fer a while was general until the \$15,000 mark was reached, when it resolved into a four-cornered bidding tilt, "Bud" Fisher, W. B. Jennings, S. C. Hiddreth and J. S. Cosden raising each other's effers. Jennings dropped out at \$19,500 and the famous cartoonist seemed to have the colt bought on his offer of \$26,600, but J. S. Cosden bid an additional \$1,000 and became his possessor. The \$21,000 that the colt brought is the highest price of any yearling sold so far at the sales, and will, in all probability, be the record for the year in an open market, though the sales of the next two nights, when the choicest offerings will be put under the hammer, promise splendidly, for there is keen desire for good yearlings. There were twenty colts and filies in the Page Brook consignment and they realized an aggregate of \$62,550, an average of \$3,102.50.

of \$62,550, an average of \$3,102.50.

In addition to the Page Brook Stud band there were consignments by Stone & Rucker, J. S. Barbee and others, the forty-four going for a grand total of \$95,400, a grand average of \$2,805.

The stars of the Stone & Rucker band were the Sweep—Hortensia colt that "Bud" Fisher secured on his bid of \$3,200 and the Sweep—Margaret T. colt that F. J. Kelley became owner of on a similar bid.

Max Hirsch-Sidereal, ch. c, by Star Shoot-Old | SOME PIMLICO RACING ARRANGEMENTS

SARATOGA, N. Y., August 11,—The Pimileo officials have in contemplation for the running of the rich Maryland Futurity, which is at one mile, the changing of the starting and finishing points, with the object in view of making it free of mishaps and possible interference to any of the starters, and possible interference to any of the starters, The changes call for the start and finish to be at the sixteenth post in the stretch. This would afford a longer distance to the first turn and eliminate possible crowding, inevitable in big fields, with the riders anxious to secure advantageous positions to round the first turn.

The Pimileo Jockey Club will also institute a

The Pimlico Jockey Club will also institute a leasing innovation to trainers by donating the sum (\$5,000 to be equally divided among the trainers the first four horses at the finish in the Pimlico Cup race.

ADMIRAL GRAYSON ENJOYING HIMSELF

SARATOGA, N. Y., August 11.—Nobody attending the races at Saratoga this year is having a better time than Admiral Cary T. Grayson, who is racing and breeding in a small way. He owns among others the good handicap horse Gnome, and is up and out for a ride on the back of a gray mare every morning. His day is a busy one between inspecting the training of the horses and looking over his own and the other yearlings which are to be solid during the next two weeks. While Admiral Grayson has a small stud his mares are all of the finest breeding, and he is certain to send some winers to the post, especially when he retires Gnome from the race course and crosses him with the fine English and French mares he owns.

GOOD HAVRE DE GRACE FALL PROGRAM

HAVRE DB GRACE, Md., August 11.—The Har-ford Agricultural and Breeders' Association has announced a pretentious program for its fall meet-ing, to be held from Wednesday, September 21, to Saturday, October 1. During the ten days of racing the sum of \$114,600 in added money will be distributed in stakes, overnight handicaps and purse races. The stake features of the meeting are the East

The stake leatures of the meeting are the East-ern. Potomac and Havre de Grace Handicaps, each of \$10,000 added, entries for which close Saturday, September 10. There are no entrance fees, the starting fee being the only liability. The overnight purses will range in value from \$1,200 to \$1,500, and the daily average distribution will amount to about \$11,460.

(Continued from first page.)

It is thought that with a rest she will round to her best and her next race will be in the Spinaway Stakes, in which she will meet the best of her age and sex. Miss Joy's absence from the Sara'oga Special will not leave trainer Milam without representation in the race, for he intends to start Sir Hugh, winner of the Sanford Memorial Stakes, Jockey L. Ensor, who has come under official displeasure upon several occasions this summer, was suspended for the remainder of the meeting by the stewards today, for reporting to the clerk of the scales in an intoxicated condition. displeasure upon several occasions this summer, was suspended for the remainder of the meeting by the stewards today, for reporting to the clerk of the scales in an intoxicated condition. He had one mount scheduled.

Morvich was given an easy three-quarters trial for the Saratoga Special in 1:15%, but will be given a stiff work-out Friday morning.

Frank J. Bryan distributed to owners this morning blanks for the valuable stakes to be run at the Woodbine Park track next fall by the Ontario Jockey Club. The stakes close August 18, and are to be run during the seven days' racing from September 24 to October 1, inclusive.

Whiskaway worked an impressive three-quarters trial this morning in 1:13%, in preparation for his start in the Saratoga Special next Saturday.

As a sequel to yesterday's bad-looking jumping race, in which Saywhich was retarned the whiner, after Wisest Fool and Robert Oliver had falled to run over the proper course, the National Steeple-chase and Hunt Association is conducting an extensive probe. F. H. Von Stade, representing this organization as steward here, began the investigation immediately after the race and, as a result, many of the "slips" handled by the oralizers were called in for scrutiny. The officials were moved to action after trainer James Healy, trainer of Robert Oliver, had complained strongly of rumors that had reached him and also voiced his dissatisfaction with the ride that P. Drady had put up on the horse.

Hite D. Bowman of Louisville, well known on Kentucky tracks, was an arrival today. He motored here.

FINE DISPLAYS OF SPEED

Best Times Made During First Six Months of Present Year.

Audacious and Goaler Hang Up New American Records -Other Remarkable Feats.

Some remarkably fast races were run during the first six months of 1921. Two of champion Man o' War's American records were lowered when Audacious ran a mile in 1:35% at Belmont Park June 1 and when Goaler surprised the racing world by hanging up a mark of 1:49 for a mile and an eighth on June 10 at Belmont Park. There were other notable displays of speed, such as Audacious' mile and a quarter in 2:02% on June 4 at Belmont Park, Grey Lag's mile and an eighth in 1:49% on June 17 at Aqueduct, Leonardo II.'s mile and a sixteenth in 1:42% on April 25 at Lexington, John P. Grier's mile in 1:36 on June 25 at Aqueduct, Distinction's seven-eighths of a mile in 1:231/2 on May 21 at Churchill Downs, and High Cost's three-quarters of a mile in 1:10% on June 7 at Latonia. Horses found the newly constructed track at Bel-mont Park a veritable speed producing course over which even the common horde of selling platers could run faster than they ever dreamed. It is not then surprising to discover that the majority of the fastest races run in the East were over the Belmont track. In the West Latonia and Churchill Downs were the scenes of the most fre-quent displays of speed. Here are the fastest times made during the racing from January 1 to and including that of June 30 of this year at from three-eighths of a mile to a mile and a quarter, inclusive, also the best times over the straight course at Belmont Park:

AGES OF GREAT ENGLISH SIRES

Rumor has it that the great English sire Polymelus is near the end of his career. Of great sires and service ages Allison writes in the Sportsman: "Galopin, when he was twenty-two, got Disraeli, winner of the Two Thousand Guineas, and there are some splendid foals of this year by Sundridge, sired when he, too, was twenty-two years old. Miss Ronald, the dam of the American record holder, Minto II.. by Sundridge, was bought last year in the South of France, to mate with Sundridge again, and she is standing to the first service by the old horse. She is a daughter of Bay Ronald. Gallinule was twenty-seven when he sired Torloisk, and Melton, in his last season, when he was twenty-eight, got fourteen foals, three of which won races as two-year-olds. There were eleven Touchstone foals in 1839, that famous sire having been foaled in 1831. Two of these foals became winning two-year-olds, the better being the speedy Soapstone, and one developed into the useful brood mare Touch and Go.

nd Go,
"Sir Hercules, which was foaled in 1826, had three
oals in 1856, and one of these won as a two-yearld. His well-remembered sons, the brothers Gunoat and Lifeboat, were foaled in 1854 and 1855,
espectively. They were fine stayers, winning many
pueen's Plates, and Lifeboat won the Great Metroolitan Stakes at Epsom in 1859. Such instances
f stallions having sired good winners late in life
re not many, and I only mention them to indicate
that whatever—if anything—has gone wrong with
hat whatever—if anything—has gone wrong with that whatever—if anything—has gone wrong wit Polymelus, it can hardly be a question of old age.

PRODDING THE ENGLISH JOCKEY CLUB

LONDON, England, August 11.—Because of a failure to properly care for race track telegraphic facilities at Goodwood, the Jockey Club is coming in for some harsh general criticism. The Jockey Club's conservatism jars on public opinion and it has made several recent mistakes, notably the increase of program price at Newmarket. This error was, however, corrected. Out of the Goodwood wire wrangle comes the information that the Duke of Richmond, who owns the course, makes some \$150,000 out of its meeting and refused to spend \$2,500 or so to put in the wires which he had allowed to be taken out.

so to put in the which taken out.

When criticism began it gathered force and spread When criticism began it gathered force and spread of penury, raning. to the Jockey Club, which is accused of penury, profit-making and general failure to foster racing. There are calls for more liberality about Epsom, Doncaster and Newmarket stake money and for the publication of the club's balance sheet. There is said to be a big sum in the treasury which is being piled up for the purpose of acquiring real estate at the club's Newmarket headquarters.

STABLE BOY, POET AND DRAMATIST

The famous English dramatist Thomas Holcroft, who, born in London in 1745, was for three years a Newmarket racing stable-boy. He was also peddler, shoemaker and schoolmaster before he became a strolling player in 1770.

He then took to play-writing and was the first to introduce the melodrama as we know it into England. His "Road to Ruin," writeen in 1792, brought him in 1,300 pounds, almost a fabulous sum for one play in those days, and is still revived occasionally.
